AMENDMENT "C"

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Official Action of December 16, 2004, having a response being due with a three month extension on June 16, 2005, please amend the above-identified application as follows:

Amendment C: CLAIM AMENDMENTS

Claims 1-20 (canceled). These claims were canceled in a previous amendment.

21. (Currently amended) A biological fluid disposal system comprising:

a housing;

a water flow line having an inlet and an outlet extending outwardly of said housing;

a biological fluid line in fluid communication with said water flow line, said biological fluid line having an inlet positioned outwardly of said housing; and

a disinfectant line in fluid communication with said water flow line, said disinfectant line being in valveless fluid communication at a connection point with said biological fluid line within said housing, said disinfectant line having an inlet extending outwardly of said housing, said biological fluid line and said disinfectant line being connected to said water flow line such that solely
